INTERNSHIP

STRYDO Technologies Pvt. Ltd, Vellore   Jul 2025 - Aug 2025
UI/UX Designer Intern

- Designed detailed wireframes, mockups, and high-fidelity interactive prototypes using Figma, ensuring clear visual hierarchy, intuitive navigation, and user-centered design principles throughout the project lifecycle.
- Collaborated closely with developers and cross-functional teams to refine user flows, improve usability, and ensure seamless implementation of design systems across web and mobile platforms.
- Contributed to responsive and adaptive design solutions for both web and mobile interfaces, maintaining consistency, accessibility standards, and optimal performance across multiple screen sizes and devices.

PROJECTS

1. EV Charging Station Slot Booking App UI Design (open)   Oct 2025 - Nov 2025
Self Project

Tools: Figma

- Designed a complete mobile app for booking EV charging slots with a smooth user experience.
- Added features like real-time availability, easy slot selection, and quick booking.
- Created a clean and minimal UI with simple navigation.
- Improved usability by reducing steps and making the user journey clear and consistent.

2. Crafy - Digital Agency Website Ui Design (open)   Jan 2026 - Feb 2026
Freelance Project

Tools: Figma

- Designed a modern and premium website UI for a creative digital agency with strong brand focus and created clear visual hierarchy using bold typography and clean layout.
- Built a consistent design system with reusable components for scalability and Ensured the website was responsive and visually consistent across devices.
